

Cow&Gate Complete Care Follow-On Milk for 6 months + is specially designed to meet the increased nutritional needs of babies from 6 months. It is a nutritionally superior alternative to cow's milk (which should not be given as a main drink to infants under 12 months).

Cow&Gate Follow-On milk for babies 6 months+ is enriched with iron and Vitamin D and contains Prebiotic Oligosaccharides, nucleotides and a good Ca:P ratio, to ensure healthy growth and development. It is not a breastmilk substitute and should not be used as a sole source of nutrition.

Cow&Gate Follow-On Milk from 6 months+ is available in 200ml and 500ml tetra packs and 900g Eazypack powder.
